Board of Directors
Member
Professor Dr Alberto Zucconi

Alberto Zucconi is Chairman of the Board of World Academy of Art & Science and President of the Person-Centred Approach Institute (IACP), a non-profit international organization, co-founded with Carl Rogers and Charles Devonshire dedicated to research in human behaviour, the promotion of health and the training of professionals. A clinical psychologist, he is a former student and collaborator of the late Carl Rogers one of the founding fathers of Humanistic Psychology and originator of the Client-Centred Therapy and the Person Centred Approach, a scientifically formulated paradigm that has impacted the fields of psychology, education and management. He is also a Fellow of the International Leadership Forum (ILF), and a senior staff member of the Carl Rogers Institute for Peace. He has been working internationally for 40 years as a trainer, lecturer and consultant for public and private organizations and is currently teaching Client Centred Therapy and the Person Centred Approach at the post graduate level at the University of Siena (Italy).
